

Exempt under section 41

The Honourable John W Howard  
Prime Minister of Australia  
Parliament House  
CANBERRA ACT 2600

OFFICE OF THE PRIME MINISTER  
RECEIVED IN CANBERRA  
28 APR 2003  
Referred to: .....

28 April 2003

Dear Mr Howard

We write to express our sincere appreciation of the President of the United States of America inviting you to meet with him for conference and counsel this week.

It must be a great encouragement to The President and yourself that the Iraq regime has been overturned in such an expeditious way by the coalition forces.

God has clearly supported and vindicated the initiative taken, and we are assured He will continue to do so as there is dependence on Him for guidance.

The UN has demonstrated its inability to deal with such critical matters as the Iraq crisis. Unless the UN undergoes drastic restructuring under the direction of the United States, Great Britain and Australia, we believe that its future role is extremely dubious.

Exempt under section 41

The writers again wish to personally assure you of our undeviating prayerful support at every turn, in the recognition of the immense responsibilities that lie upon you in this critical period of World History.

We trust this letter finds you, your wife and family in good health and look forward to greeting you again in the future,

Yours faithfully
