First aid training course Survey

We are considering running a first aid course targeted at Mothers and Grandmothers and any others who would like to participate.

The basic first aid will be gone over also but with more attention focused on the infant and babies. We have a class limit of 20 maximum and would like to try and have at least 1 class in each area. To assist us in preparing for this course, please answer a couple of quick questions

1. Would you be interested in attending a first aid course?

Yes No

2. It is an 8 hour course. Would you prefer? (please tick)

1 x 8 hour session

2 x 4 hour sessions (morning)

2 x 4 hour sessions (afternoon)

Other

Cost per Person: \$ 190

Any particular points you would like covered?
